English as a Second Language

We offer 12 different English as a Second Language (ESL) programs based on four levels; ESL Beginning, ESL Intermediate, ESL Advanced and TOEFL. Each program consists of 11 weeks where students are administered quizzes, midterms and Finals.

TOEFL

In the IBT TOEFL preperation course, students will review and expand high intermediate to advanced speaking, listening, reading and writing skills. The students begin by taking a diagnostic exam to identify their weak areas. Then they receive a complete overview of test taking strategies for the IBT TOEFL test, including but not limited to vocabulary development, strategies for reading comprehension, and fundamentals of essay writing.
